HONGKONG, FRIDAY, NOVEMBER 16, 1900.

LOCAL AND GENERAL.

Notes by the Way.

A concert takes place to-night on

board H.M.S. Tamar, commencing at 8.15.

The master of the a.s. Valde passed,

on the 12th instant, a half of a large junk

in the track of coasters 4 S.S.W. of Reef

Islands, Chelang Point.

Lady and Miss Blake are among the

passengers for Shanghai on board the s.s.

Konig Albert. Her Ladyship is to attend

the Women's Conference.

It is known that a scheme for organiza-

tion of a force of Mounted Infantry in India is

under the consideration of the Military

authorities, but details are being kept a

secret.

The Cable Companies advise that the

cableship at Manila is discontinued from

today, but copies of Press telegrams from

or to Manila must be supplied to the Mil-

itary Governor.

The Victoria Recreation Club finds it

necessary through unforeseen circumstances

to postpone for the present the promotion

of the annual regatta usually held in the

month of December.

The American sailing ship Benjamin

Scruggs has been refitted and is now in

dock at Aberdeen. H.M.S. Fawcett was also

damaged by the typhoon and is under-

going repair.

It is now pointed out that owing to re-

cent calls made upon India, the present

Indian garrison is 31,000 below the ordinary

strength. If any further troops are re-

quired from India for service in China, it

will become necessary to raise several more

regiments in that country for service ab-

road, the charges for which, however, will

not fall on India.

A Serious Assault.

A Chinaman was at the Magistrate's

to-day, sentenced to suffer imprisonment

for six months with hard labour for as-

saulting a coolie, on 27th ult., at East

Point, with a bamboo pole. The injuries

inflicted are such that the victim is still

confined to hospital. The prisoner alleged

that he was struck first.

European Drowned.

Last night, opposite Blue Buildings,

the body of a man named Robert Parnell

was picked out of the water. Deceased

had been seen alive a short time previously.

He was 52 years of age and was boatman

of H. M. Storehouse. It is sup-

posed that he had accidentally fallen into

the water.

Salvage Work.

The damage occasioned by the recent

typhoon will keep repair shops and salvage

workers busy for some considerable time.

The Godown Co.'s steam launch Skok,

which was sunk in Yauwatt Bay has been

raised, and the Naval Authorities are

engaged in raising the gunboat Mandar.

Messrs Panchard, Lowther and Co., the

contractors for the Naval Dockyard Exten-

sion, are to undertake the work of raising

their own dredger, the Canton River, the

Dock Company's hands being too full with

other work, but the Company has promised

the contractors every assistance in the sup-

ply of tackle, etc.

## LOCAL AND GENERAL.

Fires From Flare.

On 14th November, the Colonial

Secretary, Hongkong telegraphed to the

Colonial Secretary, Singapore:—"In Hong-

kong released from quarantine? Last case

of plague 27th October. Quarantine with-

drawn by Saigon? The reply was as

follows:—"In reply to your telegram of

yesterday's date, quarantine restrictions

withdrawn."

Thieving Continues at the Naval Yard.

A Chinese copper-smith was detected,

at noon yesterday, leaving the Naval Yard

with 5 cents worth of copper concealed in

the legs of his trousers. He had stolen the

copper from the Yard, and in order to get

it had damaged a steam pipe valued at \$50.

He was brought before Mr. Hallifax, at the

Magistrate's to-day, and was ordered to

suffer six weeks' imprisonment with hard

labour.

A Tramped-up Charge.

At the Magistrate's yesterday, Sergeant

saulting a Portuguese woman, wife of the

head reeve at Kowloon Godown.

The case was remanded till to-day, when

further evidence was taken. At the

close his Worship, addressing the prisoner,

said:—"It is quite clear to me that the

charge brought against you is malicious

and disgracefully trumped up. You will

be quite justified in taking an action against

these people for perjury. You are dis-

charged from this court without a stain

on your character. His Worship request-

ed to place Macdonald, whose case it was,

to place his remarks before the notice of

the Captain Superintendent of Police."
